

THE SAUL & CLARIBEL
SIMKIN CENTRE

MEMO

To: Families of Residents

From: Laurie Cerqueti, CEO

Date: April 2, 2020

Subject: Enhanced Protocols

As directed by Shared Health, the following protocols are being implemented at the Centre.

1. All staff entering the Centre will be screened before they begin their shift.
2. All staff who provide direct resident care during the course of their work will wear personal protective equipment (PPE).
